

### Active substances following a declarations of interest under Article 16(1)(b) of Regulation (EU) No 1062/2014 open for notification

Article 16(1)(b) required companies to submit a declaration of interest to notify a substance which is eligible for inclusion in the Review Programme for a substance which benefitted from the derogation for food and feed provided for by Article 6 of Regulation (EC) No 1451/2007. Declarations of interest according to Article 16(1)(b) could be submitted to ECHA until 30 October 2015.

Based on the declarations received ECHA has (in accordance with Article 16(4) of Regulation (EU) No 1062/2014) now published below the list of substances eligible for inclusion in the Review Programme for product-type 19. For these substances a notification in accordance with Article 17 of Regulation (EU) No 1062/2014 has to be made to ECHA within six months of this publication. The notification has to be submitted in IUCLID via the Register for Biocidal Products (R4BP): see <http://echa.europa.eu/support/dossier-submission-tools/r4bp/active-substances>.

ECHA will assess the received notifications for compliance according to Article 17(5) of Regulation (EU) No 1062/2014 and inform the Commission thereof. The final decision to include a substance in the Review Programme will be adopted by the European Commission in accordance with Article 18 of Regulation (EU) No 1062/2014.
